

Grace

Hi my name is Grace Larrea. I started synchro in the Aquacade at age 7 and joined SOS in 2000, the inaugural year. I have been coaching with the team for four years and I love it! I attend the University of California at Irvine and I am in my third year. My major is Political Science and my minor is Anthropology. I love school!

I have two dogs, both are rescue puppies, a German shepherd Mix named Bandit and a Pitbull mix named Marley. I love playing with them! My favorite color is orange and my favorite movie is Lady and the Tramp. I like to read, dance, sing and laugh with my friend, and I love, love, love musical
